FOOD SYSTEMS

Degree of Completion

Key Achievements During Reporting Period:
x N/A

Reference

CATEGORY	FLAGSHIP ACTION
Research & Education	Implement a sustainability online module available to all students, staff, and faculty members.
Travel & Commuting	Develop a carbon offsetting program to mitigate the environmental impacts of traveling.
Buildings & Utilities	All new construction and major renovation projects to be, at minimum, LEED Gold certified.
Waste Management	Implement a zerowaste zone on campus.
Food Systems	Explore the use of green roofs to grow food.
Procurement	Increase the amount of goods and services purchased from social economy businesses and Indigenous businesses.
Landscapes & Ecosystems	Ensure that vegetation initiatives increase canopy coverage and maximize local carbon sequestration.
Community Building	Implement a Bicentennial Student Sustainability Challenge.

The full Climate & Sustainability Strategy document can be accessed [here](#).
