## Pick Yo Path Pogra

The PYP pro ram is a pro ram that allows new experiences and advice or students, aidin them in their uture oals and answerin questions or them throu h mentorship, workshops and en a ement with different areas o study.

I started of very con used and closed of, with many career options in my head like psycholo y, biolo y and law to name a ew, but with the Pick Your Path pro ram and my amazin mentor, I of the in ormation I needed and was able to break out o my bubble. And, I had some insight into what law school lie would be like through the McGill Law Student or a Day event, which helped me with my career choices. With reat people who are willing to listen to your though hts, questions and concerns, this program has really benefited me in a positive way.
