

## **CONCLUSION AND THANKS**

Service as a Disciplinary Officer (Appendix E) and as a CSD member (Appendix F) demands an important investment of time by the staff and students appointed to these positions. Many thanks to all for their attention to detail and to approved procedures, and for the respectful environment maintained in all disciplinary matters. These are demanding roles that involve using a range of tools and strategies to maintain order and assure the principles of academic integrity are respected. This also includes the application of the Code to balance the rights of complainants, persons under allegation and the wider community of McGill University.

Many key issues in our community are played out through the discipline system, such as, academic integrity during remote course delivery, the limits of freedom of expression, new and changing technology, the accommodation of students with disabilities or severe mental illness,
