The credit weights given are for students who have completed a Quebec CEGEP degree, or have been granted 30 credits of advanced standing. Students who have not completed Quebec CEGEP, French Baccalaureate, International Baccalaureate, or at least one year of university studies prior to commencing the B.Ed. must also complete a minimum of 30 credits of Freshman courses (in addition to the 120-credit program) for a total of 150 credits.

8.4.3 Exemption and Transfer Credit

Students may receive formal credit for work completed at another institution. This credit may be applied toward the requirements for the degree. The amount of credit granted is determined by the faculty. Credit is granted for work completed at another institution that is equivalent to the work required for the degree. Credit is granted for work completed at another institution that is equivalent to the work required for the degree. Credit is granted for work completed at another institution that is equivalent to the work required for the degree.

13.2 About the School of Information Studies

Information Studies is a multidisciplinary field that combines the study of information with other disciplines such as history, sociology, and psychology. The School of Information Studies at the University of Toronto is a leader in this field, offering a range of programs and research opportunities. The school is committed to providing a high-quality education and to advancing the field of information studies through research and innovation.

The school offers a variety of programs, including a Bachelor of Information Studies, a Master of Information Studies, and a Doctor of Philosophy in Information Studies. The school also offers a range of research opportunities, including research assistantships and research fellowships. The school is a member of the Association of Canadian Information Schools (ACIS) and the International Association of Agricultural Librarians and Documentalists (IFLA).

The school is located in the heart of Toronto, Ontario, Canada. The school is a member of the Association of Canadian Information Schools (ACIS) and the International Association of Agricultural Librarians and Documentalists (IFLA).
