1 General Policies and Information

Students must inform themselves of University rules and regulations and keep abreast of any changes that may occur. The General Policies and Information section of this publication contains important details required by students during their studies at McGill and should be periodically consulted, along with other sections and related publications.

1.1 Authorization, Acknowledgement, and Consent

When applying for admission to the University, you are bound by and agree to observe all statutes, rules, regulations, and policies at McGill University and the faculty or faculties to which you may be accepted and registered in, including policies contained in the University Calendars and related fee documents. Your obligation as a student begins with your registration and ends in accordance with the University's statutes, regulations, and policies.

You should verify all information or statements provided with your application. Incorrect or false information may jeopardize your admission. The University reserves the right to revoke an admission that is granted based on incorrect or false information in an application or supporting documents.

1.2 Student Rights and Responsibilities

The Handbook on Student Rights and Responsibilities is produced jointly by the Office of the Dean of Students and the University Secretariat. It contains regulations and policies governing your rights and responsibilities as a student at McGill, and is available to you electronically at www.mcgill.ca/secretariat/policies-and-regulations

To find out more about this topic, see www.mcgill.ca/students/srr

1.3 Language Policy

The main language of instruction at McGill is English. You have the right to write essays, examinations, and theses in English or in French in courses where knowledge of a language is one of the objectives of the course.

If you need to improve your English skills, you should take an intensive course in English as a second language before or at the start of your studies. Information concerning second language courses can be found through the School of Continuing Studies at www.mcgill.ca/continuingstudies/programs-and-courses/languages and the French Language Centre at www.mcgill.ca/flc, and in [Summer Studies and Continuing Studies](#). There are special language requirements for Faculty of Education students; see [Faculty of Education](#)

Note for Continuing Studies: For English language programs, see [Continuing Studies](#) Areas of Study Language > [English Language Programs](#)

Note for the Faculty of Law: Due to the bilingual nature of the Law program, examinations, term papers, and essays may be written in either English or French. Participation in Moot Courts may also be in either language.

1.4 Academic Integrity

Before submitting work in your courses, you must understand the meaning and consequences of plagiarism and cheating, which are serious academic offenses. Inform yourself about what might be considered plagiarism in an essay or term paper by consulting the course instructor to obtain appropriate referencing guidelines. You should also consult Fair Play, the student guide to academic integrity available at www.mcgill.ca/students/srr/honest. There you will also find links to instructional tutorials and strategies to prevent cheating. The Code of Student Conduct and Disciplinary Procedures includes sections on plagiarism and cheating. The possession or use of unauthorized materials in an examination constitutes cheating. You can find the Code in the Handbook on Student Rights and Responsibilities at www.mcgill.ca/students/srr/publications.

Responses on multiple-choice exams are normally checked by the Exam Security Computer Monitoring program. The program detects pairs of students with unusually similar answer patterns on multiple-choice exams. Data generated by this program can be used as administrative evidence in an investigation of cheating under Article 16 of the Code of Student Conduct and Disciplinary Procedures.

The Office of the Dean of Students administers the academic integrity process as described in the Handbook on Student Rights and Responsibilities.

Note: Effective Fall 2013, all newly-admitted undergraduate students must complete a mandatory online academic integrity tutorial accessed through myCourses. For more information, see www.mcgill.ca/students/srr/honest/students/test.

In addition to the above, if you are a candidate for admission to the Schulich School of Music, you would be asked to consent to the use of your name and images in public recognition of academic achievement and in the advertising and audio and video recording of student ensemble concerts for distribution using different media and formats.

At the time of application, you would be asked to acknowledge that:

- an admission granted based on incomplete, incorrect or false information contained in your application or supporting documents may be revoked at the sole discretion of the University. The University reserves the right to revoke admission at any time.
- if admitted to McGill University you would be bound by the statutes, regulations, and policies in place from time to time at McGill University and at the faculty or faculties in which you would be registered, including those policies contained in the University calendars and related fee documents. You would undertake to observe all such statutes, rules, regulations, and policies. Your obligations would commence with your registration and terminate in accordance with the University's statutes, regulations, and policies.

2.2 Submitting Legal Documents

McGill requires documentation from you to confirm your legal status. The following sections describe the documents needed for your specific situation and how you should proceed.

2.2.1 Why Does McGill Collect Legal Documents from You?

Your tuition status at McGill will vary depending on your legal status in Canada. In order for us to determine your appropriate rate of tuition (Quebec, Canadian out-of-province, or international), we require documentation confirming your current status. We also require these documents to confirm your valid citizenship/immigration status to find out which documents you must provide and when they are required. Refer to [section 2.2.2 What Documents Does McGill Need from You?](#)

Some of the documents McGill requests of you help us obtain a Permanent Code from the Government of Quebec. This unique 12-character code is created by the Quebec Ministry of Education, and is mandatory for all students registered in a Quebec institution. If you have previously attended school in Quebec, you should already possess a Permanent Code; it can be found on your school report card or your CEGEP transcript. If you do not already have a Permanent Code, we will request that one be created for you. Once it has been created, it will reflect on your unofficial transcript.

You can consult your tuition and legal status (including your Permanent Code) on [Minerva](http://www.mcgill.ca/minerva). Select Student Menu > Student Accounts Menu > View your Tuition and Legal Status

Note for Medicine: Students admitted to the Faculty of Medicine will be required to provide additional documentation for the purposes of admission and registration. Details are provided in the application instructions. For more information, see www.mcgill.ca/medadmissions/applying/elements

3.1.1 Class Schedule

Class Schedule for the upcoming Fall and Winter terms normally becomes available in March prior to the opening of advising. The Summer term schedule is normally published in early February. Class Schedule includes the days and times when courses are held, class locations, names of instructors, and related information. You can also access the details of scheduled courses by clicking the course reference number (CRN) that appears with each course section shown in Class Schedule.

You should make a note of any pre-registration requirements for a course, such as placement tests or departmental approval required.

Class Schedule information is subject to change and is updated as courses are added, cancelled, rescheduled, or relocated. It is your responsibility to check Class Schedule at the time of registration, and again before classes begin, to ensure that changes in the schedule have not caused conflicts in your schedule.

Once you have selected some courses from the Class Schedule, use the **Virtual Schedule Builder (VSB)** to view your possible class schedules in an easy-to-read weekly schedule format. Please note that you cannot use the Virtual Schedule Builder to register but you can copy your choice of course reference numbers (CRNs) from VSB to have handy for registration in Minerva.

Please note that the last day of classes in a term varies according to a course's schedule pattern (e.g., Mon-Fri/Tues-Thurs, Monday only, etc.). You may verify these details at www.mcgill.ca/importantdates/dates.

Note for Health Sciences: For information, you should refer to your Faculty/School section in this publication.

Note for Medicine: This section is not applicable to M.D., C.M. students; see www.mcgill.ca/ugme.

3.1.2 Course Numbering

Each McGill course is assigned a unique seven-character course number.

The first four characters (Subject Code) refer to the unit offering the course.

These codes were implemented in September 2002, replacing the three-Teaching Unit Codes previously used. A complete list of Teaching Unit Codes and their Subject Code equivalents can be found at www.mcgill.ca/students/records/transcripts/key in the section Grading and pre-2002 course numbering.

The three numbers following the Subject Code refer to the course itself, with the first of these indicating the level of the course.

- Courses numbered at the 100, 200, 300, and 400s are intended for undergraduate students. In most programs, courses at the 300 and 400s are normally taken in the student's last two years.
- Courses at the 500s are intended for qualified senior undergraduate students but are also open to graduate students.
- Courses at the 600 and 700s are intended for graduate students only.

Two additional characters (D1, D2, N1, N2, J1, J2, J3) at the end of the seven-character course number identifies multi-term courses.

3.1.3 Course Terminology

Prerequisite: Course A is prerequisite to course B if a satisfactory pass in course A is required for admission to course B.

Corequisite: Course A is corequisite to course B if course A must be taken concurrently with (or may have been taken prior to) course B.

Credits: The credit weight of each course is indicated in parentheses beside the course title. For D2 courses, the credit weight is indicated after the course number. For further information, refer to [University Regulations & Resources > Undergraduate > Student Records > section 5.2 Credit System](#).

3.1.3.1 Course Nomenclature in Program Descriptions

Required Courses: Mandatory courses that must be completed to fulfill the requirements of a program (e.g., minor, etc. at the undergraduate level or specific courses at the graduate), unless the student has exemptions. Students have no choices among required courses.

Complementary Courses: Courses selected from a restricted list, a particular subject area, or a discipline. In some programs, students must include a number of these to meet program requirements. Complementary courses are not electives.

Elective Courses: Courses, in some cases, taken outside of a student's program of study that do not count toward the fulfillment of the specific program requirements. Some restrictions may apply. Students have the most choice in selecting elective courses. Some faculties also permit students to take elective courses using the Satisfactory/Unsatisfactory (S/U) Option. Undergraduate students should consult the faculty regulations concerning electives; graduate students require the approval of their Program Director and Enrolment Services.

3.2 Course Selection

Course descriptions for all faculties can be found at www.mcgill.ca/study/courses. We also encourage you to check www.mcgill.ca/summer/courseselection in addition to descriptions for all courses. The Class Schedule includes the days and times when courses are held, names of instructors, class location, and remarks and comments. This information is subject to change and is updated as courses are added, rescheduled, or relocated. It is your responsibility to consult Class Schedule on Minerva at the time of registration, and again before classes begin to ensure that changes have not resulted in conflicts in your schedule.

Students should pay close attention to the following on Class Schedule and in this publication:

- course restrictions: for example, permission of the instructor required; enrolment limited, or limited to students in a particular program or year;
- course prerequisites, and/or corequisites: it is your responsibility to register for a course for which you have not completed all the prerequisites with a C or better;
- time at which each course section is held: do not register for course sections that have a time overlap; or
- departmental approval required: specified in the course description; and
- placement examination required: specified in the course description.

If you are currently a McGill student, please consult the Undergraduate Programs, Courses and University Regulations publication at www.mcgill.ca/study to check your course and program requirements and consult your faculty student affairs officer for a list of Summer courses that are admissible for credit toward your degree. Other courses may be taken but may not count toward your degree requirements.

3.2.1 Departmental Approval

Some courses require that you first obtain departmental approval from the department before registering (for Education courses, contact the Student Affairs Office, Faculty of Education). A course requiring departmental approval will be listed as such in the . Departmental approval gives you the permission to register, but does not ensure a place in the course.

Since enrolment in these courses is on a first-come, first-served basis, you should register on Minerva as soon as you have the department's approval.

3.2.2 Summer Course Load for McGill, Visiting, and Special Students

The maximum number of credits you may take the Summer term (May/June and July combined) as a McGill, Visiting, or Special Student is 12 credits. You may take a maximum of two courses in Arts, Education, Engineering, Management, or Science, in one Summer session (May/June, or July session). Please note that the schedule of lectures in Summer courses is intensive and that two courses in one session is considered a heavy workload. To register for more than two courses in Arts, Education, Engineering, Management, and Science or for more than one course in other faculties:

- McGill students must obtain written permission from the faculty;
- Visiting students must obtain written permission from both their home university and the faculty in which they are registered;
- Special students must obtain written permission from the faculty in which they are registered.

3.2.3 Course Load for Quebec Inter-University Transfer (IUT) Students

The maximum number of courses an IUT Student may take the Summer term is 1 (one), regardless of credit weight. Permission to register for more than one course per term must be obtained from the McGill faculty in which the student is registering by using the BCBureau de coopération interuniversitaire, previously known as CREPUQ) electronic IUT site at www.bci-qc.ca

3.3 Course Changes

All students must use Minerva to make any changes to their course selection. You can use Minerva to add or drop courses at any time up to and including the fourth scheduled day of classes (which include lectures and laboratories). See the specific dates: [Key Dates, Summer 2018](#)

Inter-University Transfer (IUT) students wishing to drop or withdraw from their course(s) should use Minerva, cancelling the course on BCBureau de coopération interuniversitaire, previously known as CREPUQ) is not sufficient. If you want to take a different course you must reapply on the BCI site at www.crepuq.qc.ca and, upon approval, register for the course using Minerva.

You are responsible for all courses in which you are registered unless you formally drop the courses online using Minerva before the deadline date, either notification of the course instructor nor discontinuing class attendance is sufficient. Please see [section 4.6 Refunds](#) for information on refunds.

3.3.1 Course Drop and Withdrawal

You may drop or withdraw from a course using Minerva.

Students who do not attend classes and examinations and/or who do not officially withdraw will receive a grade of "J" on their transcripts. If, after the ninth day of class, illness or special circumstances force you to stop attending class, permission may be granted for an official withdrawal.

 Note: The S/U option is not available via Minerva to Visiting, Exchange, or Quebec Inter-University Transfer Agreement (IUT) students. These students must first contact their home university to ensure that a course taken under the S/U option is acceptable to their home university and that the credits are transferable. After receiving approval from their home university and before McGill's Course Change deadline, then consult their McGill faculty Student Affairs Office for approval. Students in the faculties of Arts or Science: you will need to go to Service Point (3415 McTavish Street) to make this request. However, it is important that you also see a faculty adviser in Dawson Hall to talk about your options and the effects that your request may have on your studies. For more information, see www.mcgill.ca/students/advising

 Note: Special Students are not eligible to select the S/U option.

For further information, contact your departmental adviser or student affairs office, as appropriate.

 Note for Agricultural & Environmental Sciences, Arts, B.A. & Sc. and Science Freshman year (U0) students are not eligible to select the S/U option.

 Note for Engineering:

- You will only be permitted to take a course under the Satisfactory/Unsatisfactory (S/U) option if you are in Satisfactory Standing.
- B.Eng. and B.S.E. students may use the S/U option for Complementary Studies courses (i.e., Innovation in Technology on Society and Group B Humanities and Social Sciences, Management Studies and Law Natural Science Complementary Courses (for Computer Engineering students from CEGEP and all Software Engineering students), and Elective Courses (for Mechanical Engineering students from CEGEP). cannot use the S/U option for courses in either category of the Engineering programs. If you choose not to use the S/U option, a grade of D is acceptable as a pass for these Complementary Studies courses.
- B.Sc.(Arch.) students may use the S/U option for elective courses taken outside the Schulich School of Architecture. You cannot use the S/U option for courses in another category of the Architecture program. If you choose not to use the S/U option, a grade of D is acceptable as a pass for these elective courses.
- You cannot use the S/U option for courses that do not satisfy a minor

 Note for Law:

- The S/U option is available for Law and non-Law electives and Law complementary courses within the B.C.L./LL.B. program.
- The S/U option is limited to one course in the B.C.L./LL.B. program for a maximum of 4 credits.
- Students are not permitted to choose the S/U option for required courses.
- The S/U option is not permitted for courses that do not satisfy a minor

 Note for Management The S/U option is not available on Minerva for Management students. Requests for the S/U option can only be made during the official add/drop period. Please contact the BCom Office at www.mcgill.ca/desautels/programs/bcom/contact-us for details on the conditions that apply

 Note for Music: Music students may use the S/U option for elective courses taken outside the Schulich School of Music (non-music courses). Please note that the S/U option is not permitted for courses that do not satisfy a minor

 Note for Nursing: The S/U option is not available to B.N.I. and B.Sc.(N.) students for required courses.

 Note for Physical and Occupational Therapy: The S/U option is not available to Physical and Occupational Therapy students.

3.7 Auditing of Courses

McGill does not permit auditing of courses.

 Note for Continuing Studies: You can register for a Continuing Studies course and opt to have it "non-evaluated."

4 Fees

The information in this publication was updated in December 2017. The University reserves the right to make changes without notice in the published scale of fees.

Interest: Interest is charged on overdue balances at the monthly rate of 1.24% (14.88% annually), multiplied by the balance outstanding after the due date (within 2±3 days). The rate is evaluated each Spring, and then is set for the following academic year. See www.mcgill.ca/student-accounts/your-account/deadlines-and-penalties for more information.

Note: You should regularly verify your account balance on MyMCGILL.

The University has no obligation to issue a transcript of record, award any diploma, or re-register a student if you do not pay your tuition fees, library fees, residence fees, or loans by their due date.

4.2.3.1 Information for Registered Students

If you register for a term but still owe amounts from previous terms, you must either pay your previous term account balance or make payment arrangements with the Student Accounts Office before the end of the course add/drop period. If you have a financial difficulty, first contact the Student Aid Office to discuss the possibility of obtaining financial aid:

Brown Student Services Building
3600 rue McTavish, Room 3200
Montreal QC H3A 0G3

Telephone: 514-398-6013
Email: student.aid@mcgill.ca
Website: www.mcgill.ca/studentaid

If you fail to pay the previous term's fees or to make arrangements to settle your debt prior to the add/drop deadline, the University will cancel your registration in the current and subsequent terms.

4.2.3.2 Information for Students Who Are No Longer Registered

When students fail to settle their debt or reach a suitable payment arrangement, they must provide the Student Accounts Office with up-to-date contact information. The University refers these delinquent accounts to a collection agency. If neither the University nor the collection agency is able to collect on the account, the University reserves the right to have the student reported to a credit bureau. You should be aware that the University is entitled to use all legal means to obtain payment and that students are responsible for all costs associated with such actions.

4.2.3.3 Cancelling Registration for Non-Payment of Previous Term(s)

In accordance with the fee policies stated in [section 4.2.3 Overdue Accounts](#) and [section 4.2.3.1 Information for Registered Students](#), before the University cancels your current and subsequent term registration(s), the Student Accounts Office will make all reasonable efforts to notify you if your account is delinquent, or if you owe more than \$100 from the previous term. The cancellation is effective the last day of the add/drop period unless you settle the account or make payment arrangements with the University by then. If you pay or make payment arrangements with the Student Accounts Office after the add/drop deadline and you want the University to reinstate your registration for the current or subsequent term(s), you must complete the Request for Reinstatement form (www.mcgill.ca/student-accounts/form) and submit it to the Student Accounts Office, which will forward it to Enrolment Services for approval and processing. Your fee account will be charged a Reinstatement Penalty for the processing of the re-enrolment fee amounts and further details are available on the [Student Accounts](#) website.

4.2.4 Quebec Inter-University Transfer Agreements

If you are taking courses as part of the Quebec-University Transfer (IUT) agreement, you are required to pay the fees at your home university; see [section 3.5 Quebec Inter-University Transfer Agreement](#). The agreement covers only the transfer of academic credits.

IUT students taking courses at McGill are required to pay additional courses that are compulsory upon registration, such as special activity charges or course material costs.

The University reserves the right to refuse course registrations in non-government-funded activities.

4.2.5 Acceptance of Fees vs. Academic Standing

Acceptance of fees by the University in no way guarantees that students will receive academic permission to pursue their studies. If it is subsequently determined that your academic standing does not permit you to continue, all fees paid will be refunded.

For directions on requesting your refund online in MyMCGILL, see www.mcgill.ca/student-accounts/your-account/requesting-a-refund

4.3 Payment Procedures

Please see the Student Accounts website at www.mcgill.ca/student-accounts/your-account/payment for the various methods of payment available to students and their guests.

If your Standing changes to Unsatisfactory:

- you may ask for permission to continue in your program;
- you must make a request for readmission as soon as you are placed in Unsatisfactory Standing;
- you must provide proof of extenuating circumstances that affected your academic performance (e.g., medical or other documentation).

Requests for readmission following an Unsatisfactory Standing must be submitted to:

- Arts: Associate Dean (Student Affairs)
- Science and B.A. & Sc.: Director Advising Services

If your Standing is still incomplete by the end of course change period, you should immediately consult with your Student Affairs Office.

At the end of the Winter term, if you have a mark of K or L, you will be placed in the appropriate Standing in June, if the outstanding mark in the course will not affect your Standing. Otherwise, Standing decisions will be made only once incomplete marks are cleared. For more information about incomplete grades, please refer to [University Regulations and Resources > Undergraduate > Student Records > : Incomplete Courses](#)

Note: Requests are made at Service Point (3415 McEwen Street). However, it is important that you also see an advisor in Dawson Hall to talk about your options and the effects that your request may have on your studies. For more information, see www.mcgill.ca/students/advising

5.1.4 Academic Standing: Faculty of Education

Education students, see [Faculty of Education > Undergraduate > Faculty Regulations for Undergraduate Programs > : Academic Standing](#)

5.1.5 Academic Standing: Faculty of Engineering

In the Faculty of Engineering, a decision on your Academic Standing is determined on the basis of your cumulative point average (CGPA) according to the criteria listed below

Note: The Faculty determines Academic Standing decisions after the completion of each term (Winter, Summer) based on grades obtained up to that point. If you have been granted permission to defer one or more examinations, the Academic Standing decision will be made regarding the deferred exam grade.

5.1.5.1 Satisfactory Standing: Faculty of Engineering

You are in Satisfactory Standing if you have a CGPA of 2.00 or greater

You may continue with your studies under the following conditions:

- If you obtained a grade of D or F in a core course, you must repeat the course successfully (grade of C or better) or replace it with an approved course and successfully complete the course.
- If you obtained a grade of F in another course, you must either repeat the course successfully before graduation or replace it with an approved course and successfully complete the course before graduation.

5.1.5.2 Probationary Standing: Faculty of Engineering

You are in Probationary Standing if you have EITHER :

- a CGPA that is less than 2.00 and equal to or greater than 1.20
- OR
- a TGPA that is equal to or greater than 2.50 and a CGPA is less than 2.00.

You may continue with your studies under the following conditions:

- You must reduce your credit load to a maximum of 13 credits per term and must obtain, at the end of the term, either a CGPA greater or a TGPA of 2.50 or greater
- If you have a TGPA of 2.50 or greater but you have a CGPA that is less than 2.00, you may continue with your studies but you will remain in Probationary Standing until you obtain a CGPA of 2.0 or greater
- If you do not obtain either the TGPA or CGPA noted above, you will be placed in Unsatisfactory Standing.
- You must consult a faculty or departmental adviser before with the deadlines concerning your course selection.

5.1.5.3 Unsatisfactory Standing: Faculty of Engineering

You are in Unsatisfactory Standing if you have EITHER :

- a CGPA that is less than 1.20

OR

a TGPA that is less than 2.50 and a CGPA that is less than 2.00.

If at any time, you were placed in Unsatisfactory Standing and were readmitted to the Faculty of Engineering after one term, and you are placed in Unsatisfactory Standing again at the end of a subsequent term, you may not continue in your program. You will be asked to withdraw from the Faculty of Engineering for a minimum of one term or permanently, based on the conditions of your last letter of readmission.

If you are in Unsatisfactory Standing for the first time, the regulations below apply.

Students in Interim Unsatisfactory Standing after the Fall term:

You may continue with your studies under the following conditions:

- You must reduce your credit load to a maximum of 13 credits per term and must obtain, at the end of the term, either a CGPA greater or a TGPA of 2.50 or greater.
- If you have a TGPA of 2.50 or greater but your CGPA is less than 2.00, you may continue with your studies. You will remain in Probationary Standing until you obtain a CGPA of 2.00 or greater.
- If you do not obtain either the TGPA or CGPA noted above, you will be placed in Unsatisfactory Standing.
- You must consult a faculty or departmental adviser before withdrawing. Be aware of deadlines concerning your course selection.

Students in Unsatisfactory Standing after the Winter term:

- You must withdraw from the Faculty of Engineering for a minimum of one term.

For more information about Academic Standing, see www.mcgill.ca/engineering/students/current-students/undergraduate/advising-programs/academic-standing

5.1.6 Academic Standing: Faculty of Law

If you do not obtain a sessional grade point average (GPA) at the end of Fall and Winter terms combined) of at least 1.50, you will be required to withdraw from the Faculty. If your sessional GPA is between 1.50 and 1.99, you will be permitted to continue with your program. You must obtain a subsequent sessional GPA of 2.50 or a Cumulative GPA (CGPA) of 2.00. You must have a CGPA of 2.00 to be considered for graduation. Students who are required to withdraw from the Faculty may be authorized to continue in their program by the Faculty Admissions Committee if there are exceptional reasons for the required withdrawal.

5.1.7 Academic Standing: School of Continuing Studies

If you are in Unsatisfactory Standing, you must apply to the Appeals Committee of your academic area.

5.1.8 Academic Standing: Schulich School of Music

Music students, see [Schulich School of Music > Undergraduate > Academic Information > Academic Standing](#)

5.1.9 Academic Standing for Degree Students Registered in the Summer Term

If you are in Unsatisfactory Standing, you may register for Summer courses but will be blocked from Fall term registration unless you have been readmitted by your faculty. Consult the student affairs office of your faculty for more information (www.mcgill.ca/students/advising/advising-directory).

If you are graduating at the end of the Winter 2018 term, you can still register in Summer courses. You will be classified as a Special Student. Please fill out the Authorization for Change of Program - Graduating Students form available at www.mcgill.ca/students/records/forms

Note: You cannot graduate at the end of the Summer 2018 term and attend the Spring 2018 convocation. If you complete your degree requirements during Summer 2018, you will be granted your degree at the Fall 2018 convocation.

5.2 Credit System

The faculties listed in this publication use the credit system, where each course is assigned a credit rating reflecting the number of weekly contact hours. In general, a three-credit course indicates three hours of lectures per week for one term. This does not apply to all faculties.

Note for Agricultural and Environmental Sciences, and Science: As a guideline, a one-credit course would represent approximately 45 hours total work per course. This is, in general, a combination of lecture hours and other contact hours such as laboratory periods, tutorials, and problem periods as well as personal study hours.

Note for Engineering: One credit normally represents three hours total per week. This is, in general, a combination of lecture hours and other contact hours such as laboratory periods, tutorials and problem periods as well as personal study hours. As a guideline, the average number of hours per week of course activities is indicated in the course listing in a note underneath the course description. For example, (3-1-5) indicates a course consisting of three lecture hours per week, one hour of tutorial or lab, and five hours of personal study per week.

Note for Summer Studies: For Summer courses, a three-credit course usually indicates ten hours of lectures per week starting in either the May, June, or July session and spanning a maximum period of six weeks.

5.3 Grading and Grade Point Averages (GPA)

Note for Physical and Occupational Therapy: A grade of C+ is a minimum required passing grade for courses with the subject codes of OCC1, PPTH, and PPH. A grade of C is a minimum required passing grade for all other courses. For complete details, refer to the Rules and Regulations, available at www.mcgill.ca/spot/programs

Courses can be graded either by letter grades or in percentages. The official grade in each course is the letter grade. Where appropriate, a class average appears on transcripts expressed as the letter grade most representative of the class performance.

Since Fall 2002, the University has only used letter grades on transcripts and graduation forms.

Grades A through C represent satisfactory passes, D a conditional (non-continuation) pass, and F a fail. Certain courses have been approved for Pass/Fail (P/F) grading. Students may also designate elective courses to be graded under the S/U option. See [Section 3.6 Courses Taken under the Satisfactory/Unsatisfactory \(S/U\) Option](#)

You must obtain a grade of C or better in courses that you fulfill program requirements. You may not register in a course unless you have passed all the prerequisite courses with a grade of C or better or by written permission of the appropriate department chair.

Grades	Grade Points	Numerical Scale of Grades
A	4.0	85 ± 100%
A-	3.7	80 ± 84%
B+	3.3	75 ± 79%
B	3.0	70 ± 74%
B-	2.7	65 ± 69%
C+	2.3	60 ± 64%
C	2.0	55 ± 59%
D	1.0	50 ± 54%
F (Fail)	0	0 ± 49%

Note for Engineering: The Faculty of Engineering does not use this numeric scale. See [Section 3.6 Courses Taken under the Satisfactory/Unsatisfactory \(S/U\) Option](#)

Note for Law: Faculty of Law does not use this numeric scale.

The University assigns grade points to letter grades according to the table below. Your Academic Standing is determined by a grade point average (GPA), which is calculated by multiplying the course credit by the grade points, adding the sum by the total course credits. The result is not rounded up to the nearest decimal point.

GPA credits are the credits of courses with grades that are assigned grade points.

$$GPA = \frac{\sum (\text{course credit} \times \text{grade points})}{\sum (\text{GPA course credits})}$$

The term grade point average (TGPA) is the GPA for a given term calculated using all the applicable courses at the same level that term. The cumulative grade point average (CGPA) is the GPA calculated using your entire record of applicable courses at McGill at the same level. You change levels, e.g., from undergraduate to graduate, the CGPA starts again.

This policy took effect in January 2003. Prior to January 2003, if your grade program had changed, e.g., from B.Sc. to B.A., the CGPA started again. For students with academic information prior to fall 2002, who are registered in a different program or in a different level post-fall 2002, the transcript displays a special message regarding the CGPA restarting.

If you repeat courses, all results are included in the CGPA calculation. Therefore, grades of D or F continue to be used in the CGPA calculation even after you repeat the course or if you take a supplemental examination. Note that credits are only granted once for a repeated course at the passing grade.

You must obtain a minimum CGPA of 2.00 to be considered for graduation with a McGill degree.

Note: During the first week of lectures, each instructor will provide you with a written course outline. This information should include, where appropriate:

- whether there will be a final examination in the course;
- how term work will affect the final mark in the course;
- how term work will be distributed through the term;
- whether there will be a supplemental examination in the course, and if so, whether the supplemental will be worth 100% of the supplemental grade, or whether term work will be included in the supplemental grade (courses with formal examinations must have supplementals);
- whether students with marks of D, F or U will have the option of submitting additional work, and, if so, how the supplemental mark will be calculated with the extra work (applicable only to students in Science and B.A. & Sc.).

Note for Engineering: In the Faculty of Engineering, letter grades are assigned according to the grading scheme adopted by the professor in charge of a particular course. This may not correspond to grades indicated in the "Numerical Scale of Grades" or "Grading and Grade Point Averages". A grade of D indicates marginal performance which is acceptable only for Complementary Studies courses (i.e. A Group of Technology on Society and Group B Humanities and Social Sciences, Management Studies and Law Natural Science Complementary Courses (for Computer Engineering and Software Engineering students from CEGEP), and Elective Courses (for Mechanical Engineering students from CEGEP and for Architecture students). A grade of D is not acceptable for required (core) courses (including 100 (Freshman) math and science courses), technical complementary courses, laboratory complementary courses, or courses in the category of the Engineering programs. Individual departments/schools will decide if a student with a D in a prerequisite course(s) may take subsequent course(s).

Grades have the following designations:

A, A-	Very Good
B+, B, B-	Good
C+, C	Satisfactory
D	Conditional Pass
F	Fail

5.3.1 Grading and Grade Point Averages (GPA): Other Grades

 Note for Medicine: Refer to www.mcgill.ca/ugme/academic-policies/grading-numeric-grades and www.mcgill.ca/ugme/academic-policies/medical-student-performance.

5.3.2 Unexcused Absences

All students who miss a final exam are given a J grade. You then have the following options:

1. Ask to be assigned a grade based only on the grades earned for work submitted up to, but not including, the final exam. The grade earned is calculated by adding the grades obtained on the individual pieces of work and a grade of 0 for the portion of the final grade allocated to the final exam. This option is not available if the professor stipulated in the course outline that the final is a required part of the evaluation.
2. Request a deferred exam, if you have the appropriate reasons and documentation.
3. Apply for a supplemental exam if permitted by your faculty.

 Note for Engineering: Option 1 is not available to students in the Faculty of Engineering.

 Note for Law: Option 1 is not available to students in the Faculty of Law. Option 3 is by approval of the Associate Dean (Academic) or the Director (Student Life & Learning) only.

If you are graduating, verify your record on Minerva before the end of your final term to ensure that the expected graduation term appears on your unofficial transcript; if not, you may be overlooked for graduation. You should direct any questions or problems with your record to your Student Affairs Office.

5.5.5 Fee Assessment Consequences

When a change to your student record is made, a fee assessment appears on your fee statement.

If you want to contest the fee assessment, you must make a written request to Enrolment Services. Enrolment Services reviews the extraordinary circumstances described in the supporting documentation provided by your faculty and consults with the Student Accounts Office if necessary to decide whether or not to consider the request. Enrolment Services then sends you a letter explaining the decision.

5.5.6 Student's Citizenship and/or Immigration or Fee Exemption Status

Note that your faculty/school or Graduate and Postdoctoral Studies does not handle changes related to your citizenship and/or immigration or fee status; see [section 2.2.1 Why Does McGill Collect Legal Documents from You?](#) You may be assessed a fee for a change requested after the submission deadline.

5.6 Transcript of Academic Record

The following sections contain information on transcripts and other details regarding academic records. Use the right-hand menu to jump to a specific section.

5.6.1 Transcript of Academic Record: General Information

A McGill transcript includes all attempted work and final grades obtained in all programs. The University does not issue partial transcripts under any circumstances.

The University issues official transcripts free of charge for currently registered students and will mail them by regular mail to the address(es) indicated on the request made in [Minerva](#). Alternatively, an official transcript may be picked up in person at [Service Bins](#) in a sealed envelope.

Requests for official transcripts are processed in about 3-5 business days (5 to 7 during peak periods). Requests for archival transcripts (pre-1972), however, will take longer.

Official transcripts are printed on secure paper that cannot be copied.

For more information on requesting official transcripts, refer to the [Official Transcripts](#) section below.

Note: The University may not be held responsible for the loss or delay of transcripts in the mail.

Note: You cannot submit a transcript request in [Minerva](#) if you have holds on your record (e.g., accounting registrar library, etc.). Please clear your unofficial transcript in [Minerva](#) for any holds.

5.6.2 Unofficial Transcripts

If you require a copy of your student record, access [Minerva \(www.mcgill.ca/minerva\)](#) to view and print an unofficial transcript. This applies to records from 1976 to the present. For pre-1976 records, you must order an official transcript. See [Section 5.6.3 Official Transcripts](#).

5.6.3 Official Transcripts

For more information on transcripts, applicable costs, delivery method, and processing time, see [www.mcgill.ca/students/records/transcripts](#).

Currently Registered Students: Use [Minerva \(www.mcgill.ca/minerva\)](#) to order an official transcript. Student Menu > Student Records Menu > Request Printed/Official Transcript

Alumni or former students who were registered or graduated as of 1972 or later: You must submit your request in [Minerva \(www.mcgill.ca/minerva\)](#) at Student Menu > Student Records Menu > Request Printed/Official Transcript and will require login credentials. Please visit the IT Knowledgebase ([www.mcgill.ca/it](#)) to view how to obtain your McGill ID & Minerva PIN.

Alumni or former students who were registered or graduated prior to 1972 (archived records): You must submit an online request for Archived Official Transcript located at [www.mcgill.ca/students/records/transcripts](#) and will be required to provide a copy of a government-issued Photo ID.

Note: Proxy requests will be accepted only with written authorization.

5.6.4 Course Numbering on the Transcript

Prior to September 2002, course numbers had a character designating the teaching unit/department. The next three digits specified the course, with the first of these indicating the official character as a letter indicating the term, or terms, during which the course was offered. For example:

107-200A = Philosophy (107) course (200) in Fall term (A);

301-202B = Architecture (301) course (202) in Winter term (B);

154-230D = Economics (154) course (230) reading for two terms, Fall and Winter (D).

A list of the former Teaching Unit Codes and their Subject Code equivalents is available at www.mcgill.ca/student/codes/transcripts/ky.

The McCord also houses paintings by renowned artists such as Louis Dulongpré, James Duncan, Cornelius HOFFMANN and Robert Harris. The Museum's Textual Archives include some 262 linear metres of documents relating to Canadian history. Finally, the McCord website features award-winning virtual exhibitions, innovative learning resources, and a searchable database of information on the Museum's collections.

Exhibitions at the McCord provide innovative interpretations of the social and cultural history of Montreal, Quebec, and Canada. In addition to guided tours, school programs, cultural activities, and lectures, the McCord offers a range of services including the Museum Café and boutique.

12.7 Other Historical Collections

In addition to the McGill museums, there are other collections exhibits of a specialized nature curated by McGill's Heritage Advisory Committee. McGill began accumulating cultural property by virtue of acquisition or donation before the university itself was established. At the Montreal Medical Institute, which became McGill's Faculty of Medicine, specimens were collected and used as teaching tools as early as 1827. Collections gained international recognition for faculty members such as Andrew Fernando Holmes and William Dawson. Their collections and others had a major influence on building McGill's reputation as a learned institution.

Since then, the University has continued to grow vigorously. In 1884, the first women students were admitted and in 1899 the Victoria College was opened, a gift of Lord Strathcona, to provide separate teaching and residential facilities for women students. Gradually, however, classes for men and women were merged.

In 1905, Sir William Macdonald established Macdonald College at Sainte-Anne-de-Bellevue as a residential college for Agriculture, Household Science, and the School of Teachers. Those components have since become the Faculty of Agricultural and Environmental Sciences, which includes the School of Human Nutrition, on the Macdonald campus, and the Faculty of Education, located on the Downtown campus. The University's general development has been greatly facilitated by the generosity of many benefactors, and particularly by the support of its graduates. Government grants have become a major factor in the University's financial operations, but it still relies on private support and private donors in its pursuit of excellence in teaching and research.

The University now comprises 10 faculties and 13 schools. At present over 38,000 students are taking credit courses; one in four is engaged in Graduate Studies.

The University is also active in providing courses and programs to the community through the School of Continuing Studies.
